Short trip in Malaysia ... Sunway Lagoon Theme Park (max. 6 hours)

Water Park

Waters of Africa

Dive down the six-laned Congo Challenge or brave the slithery adventures of the African Pythons as you explore the wild side of the Waters of Africa. A fun adventure for all, even the little ones have something to cheer about when you let them loose at Little Zimbabwe, the interactive water playground, for a splashing good time.

Surf beach

Enjoy at the Worlds Largest Man-Made Surf Beach, a tropical paradise right in the middle of the city. Try your hand in surfing or a game of beach soccer or volleyball. If you are looking for a little more action, try out Malaysia First Surf Simulator, the FlowRider - it combines the best of all board sports known to man.

Amusement Park

World of adventure

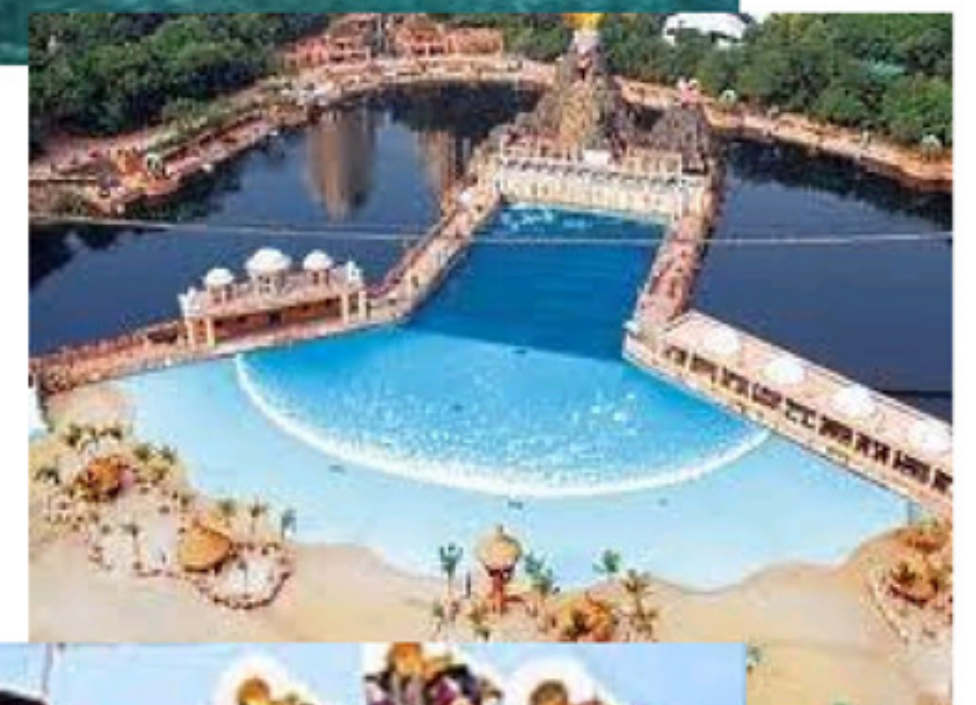

Quench your thirst for adventure as you put your wits to test at the World of Adventure, with rides that will spin, dip, thrill and send you screaming for more. Spin out of control in the Tomahawk, as it takes you 360-degrees over, and over, and over again! Take a trip to the high seas on the Pirates Revenge - Malaysias first 360-degree Rotating Pirate Ship or 'walk the plank' as you take on the majestic view from the 428 metres long Worlds Longest Pedestrian Suspension Bridge.

Wild wild west

Put on your best Cowboy swagger as you take a trip down the Wild Wild West. Have a quick Pow Wow with the Native Indians or catch a glimpse of the gun-slinging cowboys. The excitement never stops at the raging waters of the Grand Canyon River Rapids. When youve had enough of the rough and tumble, impress your friends at the Alamo games arcade as you put your dexterity to test.

Wildlife Park

Get in touch with your inner Tarzan as you get up close and personal with his friends from the animal kingdom! With more than 150 species of amazing and exotic animals from across the globe, revel in the sight of their unique beauty and learn more about them at Malaysias first-ever fully interactive and educational animal-themed attraction. Wildlife Park - Sunway Lagoon also features various educational programmes and live animal shows, ready to satisfy the most inquisitive of minds.
